## Compounding Pharmacy D A T A B A S E

**Izabella Wentz,**  
PharmD, FASCP

[ThyroidPharmacist.com](http://ThyroidPharmacist.com)

**UPDATED  
MARCH, 2017**

## Introduction

Dr. Izabella Wentz introduces a revolutionary breakthrough in understanding hypothyroidism and Hashimoto's disease. Her book has been mailed to the individuals in this list. These are compounding pharmacies that were recommended by patients via our submission form. Patients were asked to recommend compounding pharmacies who meet the criteria listed below. The list serves as a **starting point** for patients to find patient-recommended compounding pharmacies.

The information in this guide is current as of March 2017. You can check for updates to the compounding pharmacy directory online [here](#).

## Disclaimer

Dr. Wentz does not endorse or make representation as to the qualifications or business practices of any healthcare provider. All thyroid patients must be under the care of a medical doctor at all times. Any posting on this guide of a nonmedical health care professional is intended for patients' educational, lifestyle, dietary, and nutritional-support purposes only. Individuals using this guide should not substitute, delay, or cease medical care for any reason. Only a medical professional is trained to address the full scope of a thyroid condition.

Individuals should use their own best judgment when receiving the services of any healthcare provider especially when inquiring about the provider's qualifications, malpractice cases, ethics, and business practices.

The results provided are randomly produced based on the search criteria inputted by the user and may vary each time the search is performed. This guide is not a referral system or a recommendation of any healthcare provider. Dr. Wentz strongly advises all people to thoroughly research any compounding pharmacy before engaging their services.

To find a pharmacy in your area, please see the list below.

**Compounding Pharmacy Criteria:** Patients recommended compounding pharmacies based on the following criteria:

- Use PCCA-tested Formulas and Pharmaceutical Ingredients
- Reliable, good customer service and quality of product
- Answers your questions well and makes you feel confidently educated on your prescription
